Analysis of Students' Feedback Response

Analysis Report on the Students' Feedback received (2023-24)

We have received feedback from 2178 numbers of students' through online process by web

link Website address : <https://www.vbmvm.org/>

Direct Link URL : <https://vbmvm.org/feedback/>

Average Rating of Students' Feedback Response found to be at 87.13%

Scale for Opinion of Students' found to be at Rank A (100-80).

The following are observations on students' feedback;

1. Understand students' problem and taking quick actions.
2. I want boy's hostel.
3. I want them to take physical activities to check students fitness and also promote extracurricular activities and also promote outdoor games as we are not allowed to play on the grounds..

4. I love the way VBMV's GEMS conducted competition for JOSH and I participated personally.
5. We are not informed of important information in our whatsapp group.
6. Students who are from poor background or have some financial crises you should support them.
7. Encourage active learning through group activities, discussion and problems solving exercises to engage students
8. I guess industrial trips and inter college sports tournaments should be done.
9. To give internship.
10. To improvements in teaching style of teacher.
11. Improve boys' toilets.
12. Implement varied teaching method.
13. They should focus on student's talent and motivate students for skill development. There should be best atmosphere for study in the college campus in the ambience of the institution.
14. Use research-based study techniques
15. Enhancing Classroom Engagement.
16. Water cooler facility in B. Tech Cosmetic Department.
17. Change summer examination time
18. Class room improvement, fans, desk and chairs improvement.
19. It is very difficult to cop up during summer for the examination.
20. Professors should be more inquisitive and enthusiastic about teaching.
21. Availability of internship at college level is essential.
22. College should focus on providing internships and placement drives for students.
23. Incorporate educational technology, like interactive software and online resources, to engage students more effectively.
24. I request to the respective principal Dr. Yenkar mam please give training to students for placement and because most of students are coming a college for their future.

25. Please arrange educational tour related to our courses to improve our practical knowledge as well.
26. Please provide books in library in current syllabus.
27. Please upgrade the computers in computer lab.

Graphical Analysis of Teachers' Feedback Response

Analysis of Teachers' Feedback Response

Analysis Report on the Teachers' Feedback received (2023-24)

We have received feedback from 121 numbers of Teachers' through online process by web link Website address : <https://www.vbmvm.org/>

Direct Link URL : <https://vbmvm.org/feedback/>

Average Rating of Teachers' Feedback Response found to be at 84.66 %

Scale for Opinion of Teachers' found to be at Rank A (100-80).

The following are the observations on teachers' feedback;

1. More Faculty Development Program and students' engagement activities are to be planned.
2. College should focus on conducting practice test paper before the main exam of the students which improves result quality better.
3. Lift should be available for all students and staff members in old building.
4. Introducing Latest Technological up skilling program like foundation of GenAI etc
5. To enhance academic performance college should organise more guest lectures.
6. Teachers need to focus and concentrate on students.
7. Conduct exam on full syllabus by semester wise in college before University exam.
8. Needed more manpower to improve the overall Academic performance of Staff members and the students.
9. Establish a robust student counselling system, it can help students with academic stress, career guidance, and personal issues. This can greatly improve student's overall well-being and academic performance. Implement wellness programs focusing on physical health, mental well-being, and stress management.
10. We have to increase students' centric activities from their academic perspectives.
11. Digital Library resources should be accessible to students and faculty.
12. Offer training and workshops for faculty members to keep them updated with the latest teaching methodologies and subject knowledge.
